

## DONATE IN MEMORY

We are grateful to all those who choose to donate to Spread a Smile in memory of a loved one. It would be a privilege to speak with you to discuss how we can best create a legacy in their name.

Your support in their name will help enhance the well-being of seriously and terminally ill children and teenagers during intensive treatment and extended hospital stays, spreading joy and laughter and creating positive memories at a time when they are needed most. For this we are immensely grateful.

Please do not hesitate to contact a member of our team if you would like to discuss your wishes or have any further questions. We are here to help make them a reality and support you in every way possible. All donations received in memory of a loved one will be acknowledged in writing.

### Leaving a gift in your Will

We are committed to spreading future smiles to hospitalised children and teenagers, many of whom face months, if not years of treatment. We understand everyone's wish to prioritise their family in their Will however, a small charitable gift would make a big difference to our long term future and a world of difference to the children and families we support. Indeed, a donation of just 1% in your Will will enable us to continue to develop and grow our services and brighten the lives of seriously and terminally ill children now and into the future.

To ensure your gift reaches Spread a Smile, please use the following wording: I leave [AMOUNT] to Spread a Smile, 51 Chalk Farm Road, London NW1 8AN, registered charity number 1152205.

For further information on leaving a gift in your will, please go to the 'Support Us - Legacies' page on our website. We would always advise that you instruct an independent solicitor to assist you with making a will.

Thank you so much for thinking of Spread a Smile in this way.
